

VICOM OF VIRGINIA BEACH ANNOUNCES BECOMING A SMART TECHNOLOGIES CERTIFIED TRAINING CENTER

VIRGINIA BEACH BASED VIRGINIA INTEGRATED COMMUNICATION, also known as Vicomm, an audiovisual, voice and data technology integrator, has made an agreement with SMART Technologies (NYSE: SMT), the world's leading provider of interactive whiteboards, to become a **SMART Certified Training Center (SCTC)**. The new designation will allow Vicomm to provide SMART Certification training, a service highly sought after by many of the 40 million SMART Board interactive whiteboard users in classrooms and offices around the world. SCTC's are SMART's Training partners and are authorized to deliver official SMART training including SMART Certification offerings for SMART Users, Trainers and Technical Service providers.

Vicomm is the first and only SMART Certified Training Center based in Virginia and one of only 11 in the United States. SCTC's must meet SMART's stringent quality requirements and utilize official SMART training resources and techniques.

As a SMART Certified Training Center (SCTC), Vicomm provides training including certification courses (e.g. SMART Notebook, SMART Response, SMART Table, etc.) for end users, trainers and technical service providers. SMART training certification provides skills, pedagogy and resources to help you deliver high-quality, cost effective professional development within your organization. Vicomm's SMART Certified Training Center offers training in three ways: On Site, On Campus and Online.
