

POLY WORK FROM HOME BUNDLES

HOME OFFICE BUNDLE OPTION #1 – SIMPLE SET UP

BLACKWIRE 3300 USB Corded headset

- SoundGuard Protects against audio spikes
- Wideband audio with noise canceling
- Inline controls to answer/end, control volume and mute

Connects to:  PN: 212703-01

MSRP: \$248.95

OFFICE COMMUNICATOR

As a more traditional work style, the office communicator is most comfortable with familiar systems and devices (like a desk phone). Due to the high percentage of time they spend communicating in the office, their pain points include being diverted by interruptions, background noise and lack of privacy on calls.

- Occurrence in a typical enterprise: 17%
- UC usage/adoption: Low

Eagle-Eye Mini Benefits

- Instantly add business quality video collaboration to your favorite Poly audio solutions
- A compact and cost-effective video solution for the desktop, huddle room or on the go

PN: 7200-84990-001

Devices compatible with:

HOME OFFICE BUNDLE OPTION #2 – VERSATILE HOME OFFICE

VOYAGER® 4220 UC Bluetooth headset

- Flexible microphone boom
- On-call indicator lets others know when you're on a call
- Dynamic mute alert senses and alerts you when you talk while muted

Connects to:    PN: 211996-01

Eagle-Eye Mini Benefits

- Instantly add business quality video collaboration to your favorite Poly audio solutions
- A compact and cost-effective video solution for the desktop, huddle room or on the go

PN: 7200-84990-001

CALISTO 5200

Portable personal speakerphone with 360° audio and both USB and 2.5 mm corded connectivity

- Easily manage calls from PC via USB or smartphone or tablet with 3.5mm cable
- Omni-directional microphone for full-duplex, conference quality audio with 360° room coverage
- One-touch call answer/end, volume +/-, and mute
- Battery saving auto power on/off detection by 3.5mm plug

Connects to:    PN: 210902-01

MSRP: \$634.90

REMOTE WORKER

Working from a home office or a remote center, the remote worker has fewer opportunities for in-person meetings and more challenges to successful and productive collaboration. Remote workers depend on multiple devices, unified communications and technologies to bridge the gaps between them and their colleagues, co-workers and clients.

- Occurrence in a typical enterprise: 11%
- UC usage/adoption: Medium

Devices compatible with:

HOME OFFICE BUNDLE OPTION #3 – ALL DAY VIDEO CONFERENCING

Devices compatible with:

VOYAGER FOCUS UC Stereo Bluetooth headset with active noise canceling (ANC)

- Smart sensors answer call by simply putting on the headset
- Enhanced voice alerts announce caller ID, mute and connection status, talk time level
- Dynamic Mute Alert feature senses and alerts you when you try to talk when muted
- Smart mic boom: wear on either side and maintain locations of R/L stereo and volume/track buttons

Connects to:  PN: 202652-01

CALISTO® 7200 Speakerphone

- Four directional microphones provide 360° room coverage
- Bluetooth clearing function removes previously paired devices
- Designed to meet the latest Microsoft "Group Mode" specifications

Connects to:  PN: 207913-01

- Consistent performance for small groups through integration with Poly video solutions

PN: 7230-63695-001

MSRP: \$1,448.90

CONNECTED EXECUTIVE

Connected executives are tech-savvy business drivers who go wherever needed to make decisions and solve problems. Due to the fact that they are so versatile in their work style, their pain points include diversions, interruptions and unpredictable background noise. They use more communication tools than any other persona, so they have to stay connected across all devices.

- Occurrence in a typical enterprise: 14%
- UC usage/adoption: High

HOME OFFICE BUNDLE OPTION #4 – EXECUTIVE HOME OFFICE

ELARA 60 Benefits

- Empower your mobile-first users by transforming their smartphone into a desktop collaboration tool
- Give users freedom of choice – compatible with iOS and Android smartphones via Bluetooth®
- Provide desk phone convenience with built-in dial pad plus headset, speakerphone, and handset options
